WHAT IS CHOCOLATE WONDERS OF WEARABLE ART?

Wearable costume art must be able to be worn by the human body.

Your inspiration is chocolate and can be expressed by creative colouring or the use of chocolate wrappers etc. The more dramatic the better.

Imagine the body as the hanger and let your imaginations soar with whatever materials you can lay your hands on, to reflect your chocolate creativity!

Anyone can be involved. It's your chance to experiment with materials and produce an innovative costume that stands out from the crowd.

BENEFITS TO PARTICIPANTS

An opportunity to expose the talents of creative people through costume design.

Publicity associated with the media coverage of the exhibition.

THINGS TO REMEMBER

This project seeks to support and develop creative talents associated with wearable art and costume design.

The exhibition will form a trail along the main street of Latrobe. The event coordinator will partner you with a shop.

Entries are to be installed on 8 August at the advised location and be removed on 29 August.

This is a static exhibition that will be judged. The winner will receive \$500, sponsored by Latrobe Council.

The public will be invited to vote for their favourite costume online.

The entry with the most Public Votes will receive a \$100 House of Anvers Chocolate Hamper and one lucky voter, drawn randomly, will also win a \$100 House of Anvers chocolate hamper.

CONDITIONS

1. The costume must be wearable on the human body and reflective of the chocolate theme.
2. The entry must be an original concept, created by the designer/s and **not previously exhibited or appearing in any media publications**, the exception being an entry by a tertiary student who has exhibited the costume as part of their curriculum.
3. It is important that as a static exhibition, thought needs to go into the costume's display and close scrutiny. Costumes must be safe to display.
4. The entrant will be responsible for the display of their costume at the time of delivery.
5. Display stands are the responsibility of the participant.
6. The exhibition period is from 8 - 29 August 2022.
